

COMMUNITY BUILDERS PROGRAM

FOR RESIDENTS OF THE
Upper

Hunter

Through the support of Rural Aid and Bank of I.D.E.A.S, a **Community Builders Program** is being proposed for the 2024/25 period for interested residents from communities in the **Upper Hunter**

The **Community Builders Program** is a 12-18-month program that seeks to identify, encourage, and empower local residents to become more involved in building their community and its economy.

The attached flyer provides details of the full program which we have been successfully running over the past 2 years in the South Central Wheatbelt and North Midlands, Western Australia and in Central West Queensland.

This two minute [YouTube](#) captures the spirit and content of the program.

Residents living in the Upper Hunter are invited to come along and hear about the program from Peter Kenyon, Director of Bank of I.D.E.A.S.
